Statement Under 37 C.F.R. §1.48(c)

Sir:

We, Cecil Brown; William R. Lyons; and Phillip G. Seminara,
declare as follows:

1. Cecil Brown was originally identified as an inventor in
U.S. Patent Application No. 10/749,715 (hereinafter "the
Application").
2. Cecil Brown is not the only inventor of the invention
described and claimed in the Application.
3. William R. Lyons; and Phillip G. Seminara are co-
inventor(s) of the invention described and claimed in the
Application.
4. The error in identifying the correct inventorship in the
application occurred without deceptive intention on my
part.

5. The addition of the two co-inventors William R. Lyons; and Phillip G. Seminara, was necessitated by amendment of the claims in the preliminary amendment filed 12/30/2003.

I/We hereby declare that all statements made herein of my/our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
